Doug, Thomas:

The Navy received a copy of SFRA's draft AOC with comments on 21 May 10 and I forwarded it to you all on 24 May 10. The AOC is on the agenda for the meeting next week.

I found the time to review it for the first time late last week and made some handwritten notes. I also discussed it briefly with Bob Carr and Bob Elliott in an exploratory discussion. I have received no comments from any other Navy reviewers. In my view, the team has not had the time to review this document and develop a Navy response.

Do you want to pull together some last minute comments for the meeting and send them out later this week (I am in the office until Thurs.)? In the alternative, we could defer our comments until after the meeting. How do you want to proceed?
